

# The **Chapel Bell**

Presented by the Maple Street Chapel Preservation Society, Inc.  
Volume 12, Special Edition, Summer, 2011

## **The Maple Street Chapel Needs a New Roof!**

**The Maple Street Chapel needs your help!!!!**

## **WHY WE NEED HELP**

- Current Roof was installed with only a 20 year warranty.
- Shingles on the steeple were not replaced at that time.
- Severe windstorm on July 2010 damaged roof severely and caused interior damage.
- The “Great Blizzard” of February 2011 swept large chunks of shingles off the roof.
- Now is the time to reroof with a lifetime shingles guarantee (45-50 years).
- Cost quoted to reroof now: \$56,128 which includes the steeple this time.
- We received a generous estate gift specifically for roofing, so now we have \$26,128!!
- We still need \$30,000.
